Thunderbird Artists

Produced by the award-winning Thunderbird Artists, the Edwards Fine Art & Sculpture Festival, held July 8, 9 & 10 is located within the heart of Edwards. The Thunderbird Artists is best known for the quality level of juried art exhibited at all their events in Arizona and Colorado. Patrons love the special ambiance of leisurely strolling throughout and meeting some of the country's most gifted nationally recognized artists. The Victorian-style architecture certainly adds to the charm of this fine art event.

Artworks exhibited by these world-class artists include mediums such as bronzes, metal, clay, stone, wood, glass, jewelry, photography, pottery, mixed media sculptures and more.

The Riverwalk at Edwards is most recognized for their popular restaurants, outdoor cafes, specialty shops, boutiques and galleries plus this center has established itself as the true shopping mecca throughout Edwards and Vail Valley.
